Venue: Main Exhibition, Arsenale, Venice

Guest Artists Space (G.A.S.) Foundation is pleased to announce its participation in the 61st International Art Exhibition of La Biennale di Venezia by Koyo Kouoh.

Since its inception in 2019 by Yinka Shonibare CBE, G.A.S. has been dedicated to facilitating international cultural exchange and supporting creative practices through residencies, collaboration and educational initiatives. Its programmes operate across two sites in Nigeria; a purpose-built creative space in Lagos and another on a sustainable and regenerative-focused farm with an artist's house and studio in Ikise, Ogun state. Together these spaces offer distinct yet interconnected contexts for research, critical thinking, experimentation, and sustained artistic development.

Committed to expanding access and opportunity within the arts, G.A.S. supports the creation of new work while fostering dialogue across various cultures and disciplines. Rooted in the hyper-local ecosystems in which it operates, the Foundation functions as an agile, non-hierarchical platform for experimentation which invites artists and thinkers to test ideas, build meaningful local and international networks, and engage urgent social and cultural questions. Its programme encompasses research on food and ecological systems, alternative models of education and institution building, and creative and social infrastructure.

The Foundation's inclusion in the Biennale Arte 2026, titled *In Minor Keys*, reflects its ongoing commitment to bringing together artists and thinkers, fostering cultural dialogue, care, and exchange across local and international contexts. Kouoh's invitation to be part of the Main Exhibition recognises the residency not simply as a support structure, but as a practice in its own right, and a site of research, and sustained engagement that generates meaning through dialogue and shared inquiry.

The artwork is led by **Ann Marie Peña**, with support of founder **Yinka Shonibare CBE, Belinda Holden** CEO Yinka Shonibare Foundation (Y.S.F.) and **Moni Aisida** Executive Director of G.A.S.
